NOTICE OF PRIVACY POLICIES

FOR

Las Colinas
Obstetrics
Gynecology
Infertility
Association, P.A.

Revision Number THIS NOTICE DESCRIBES HOW INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

Introduction

At Las Colinas Obstetrics Gynecology Infertility Association, P.A., we are committed to treating and using protected health information about you responsibly. This Notice of Health Information Practices describes the personal information we collect, and how and when we use or disclose that information. It also describes your rights as they relate to your protected health information. This Notice is effective April 14, 2003, and applies to all protected health information defined federal as by regulations.

Understanding Your Health Record/Information

Each time you visit Las
Colinas Obstetrics
Gynecology Infertility

Association, P.A., a record of your visit is made. Typically, this record contains your symptoms, examination and test results, diagnoses, treatment, and a plan for future care or treatment. This information, often referred to as your health or medical record, serves as a:

- Basis for planning your care and treatment,
- Means of communication among the many health professionals who contribute to your care,
- Legal document describing the care you received,
- Means by which you or a third-party payer can verify that services billed were actually provided,
- A tool in educating heath professionals,
- A source of data for medical research,
- A source of information for public health officials charged with improving the health of this state and the nation,
- A source of data for our planning and marketing,
- A tool with which we can assess and continually work to improve the care we render and the outcomes we achieve,

Understanding what is in your record and how your health information is used helps you to: ensure its accuracy, better understand who, what, when, where, and why others may access your health information, and make more informed decisions when authorizing disclosure to others

Your Health Information • Accommodate reasonable reasonable

Although your health record is the physical property of Las Colinas Obstetrics Gynecology Infertility Association P.A., the

information belongs to you. You have the right to:

- Obtain a paper copy of this notice of information practices upon request,
- Inspect and copy your health record as provided for in 45 CFR 164.524,
- Amend your health record as provided in 45 CFR 164.528,
- Obtain an accounting of disclosures of your health information as provided in 45 CFR 164.528,
- Request communications
 of your health
 information by
 alternative means or at
 alternative locations,
- Request a restriction on certain uses and disclosures of your information as provided by 45 CFR 164.522, and
- Revoke your authorization to use or disclose health information except to the extent that action has already been taken.

Our Responsibilities

Las Colinas Obstetrics
Gynecology Infertility
Association, P.A. is required
to:

- Maintain the privacy of your health information,
- Provide you with this
 notice as to our legal
 duties and privacy
 practices with respect to
 information we collect
 and maintain about you,
- Abide by the terms of this notice,
- Notify you if we are unable to agree to a requested restriction, and

Examples of Disclosures for Treatment, Payment and

Washington, D.C. 20201

Health Operations

We will use your health information for treatment.

For example: Information obtained by a nurse, physician, or other member of your health care team will be recorded in your record and used to determine the course of treatment that should work best for you. Your physician will document in your record his or her expectations of the members of your health care team. Members of your health care team will then record the actions they took and their observations. In that way, the physician will know how you are responding to treatment.

We will also provide a subsequent health care provider with copies of various reports that should assist him or her in treating you once you're discharged from this practice.

We will use your health information for payment.

For example: A bill may be sent to you or a third-party payer. The information on or accompanying the bill may include information that identifies you, as well as your diagnosis, procedures, and supplies used.

We will use your health information for regular health operations.

For example: Members of the medical staff, the risk or quality improvement manager, members of the quality improvement team may use information in your health record to assess the care and outcomes in your case and others like it. This information will then be used in an effort to continually improve the quality effectiveness of the healthcare and service we provide.

Business associates: There are some services provided in our organization through contacts with business associates. Examples include physician services in the emergency department and radiology, certain laboratory tests, a billing service, a practice management company, and a dictation service. When these services are contracted, we

disclose may your health information to our business associate so that they can perform the job we've asked them to do and bill you or your third-party payer for services rendered. To protect your health information, however, we require business associato appropriately safeguard your information.

Directory: Unless you notify us that you object, we will use your name and/or location in the facility, for directory purposes. This information may Ьe provided to other people who ask for you by name. Example would be if a person presents as your accompanying party and request to know where you are in the facility. Your medical chart will be placed on the outside door of your exam room to await your healthcare provider joining you in your exam room.

Notification: We may use or disclose information to notify or assist in notifying a family member, personal representative, or another person responsible for your care, your location, and general condition.

Communication with family: Health professionals, using their best judgment, may disclose to a family member, other relative, close personal friend or any other person you identify, health information relevant to that person's involvement in your care or payment related to your care.

Research: We may disclose information to researchers when their research has been approved by an institutional review board that has reviewed the research proposal and established protocols to ensure the privacy of your health information.

Funeral directors: We may disclose health information to funeral directors consistent with applicable law to carry out their duties.

Organ procurement organizations: Consistent with applicable law, we may disclose health information to organ procurement organizations or other entities engaged in the procurement, banking, or

transplantation of organs for the purpose of tissue donation and transplant.

Marketing: We may contact you to provide appointment reminders or information about treatment alternatives or other health-related benefits and services that may be of interest to you.

Food and Drug Administration (FDA): We may disclose to the FDA health information relative to adverse events with respect to food, supplements, product and product defects, or post marketing surveillance information to enable product recalls, repairs, or replacement.

Workers compensation: We may disclose health information to the extent authorized by and to the extent necessary to comply with laws relating to workers compensation or other similar programs established by law.

Public health: As required by law, we may disclose your health information to public health or legal authorities charged with preventing or controlling disease, injury, or disability.

Law enforcement: We may disclose health information for law enforcement purposes as required by law or in response to a valid subpoena.

Federal law makes provision for your health information to be released to an appropriate health oversight agency, public health authority or attorney, provided that a work force member or business associate believes in good faith that we have engaged in unlawful conduct or have otherwise violated professional or clinical standards and are potentially endangering one or more patients, workers or the public.
